SYMPOSIUM OVERVIEW

WELCOME FROM DAVID AND DALE

Theme: Disruptive Paradigms in Prosthodontics

Welcome to the 2025 International College of Prosthodontics Meeting, to be held in the vibrant city of Toronto, Canada, from September 2nd to 5th.

On behalf of the International College of Prosthodontics (ICP), we are proud to announce and cordially invite you to partner with us for our upcoming biennial meeting, to be held in the vibrant city of Toronto, Canada, from September 2nd to 5th, 2025.

The ICP has a long-standing tradition of fostering collaboration, innovation, and education within the field of prosthodontics. The theme of our 2025 meeting, "Disruptive Paradigms in Prosthodontics," reflects our commitment to exploring the latest advancements and ground breaking technologies that are transforming the way we practice. We will delve into the developing and disruptive paradigm shifts in rehabilitative sciences, including: the influence of all forms of digital dentistry, biomaterials, implant dentistry, maxillofacial prosthodontics, aesthetic rehabilitation and artificial intelligence to name a few.

We look forward to welcoming new and famous distinguished faculty of international experts who will share their knowledge and insights through a variety of formats, including keynote lectures, scientific presentations, workshops, posters, podcasts and hands-on demonstrations. The dedicated exhibition area will showcase leading dental and medical companies and is integrated into the program for our attendees to easily interface with industry.

We believe that the 2025 ICP Meeting offers a unique opportunity for you to network with colleagues from around the world, learn about the latest trends and innovations in prosthodontics, and discover new products and technologies that can enhance your businesses and contribute to the advancement of the field through scientific exchange and collaboration.

We invite you to join us in Toronto for an unforgettable experience that will inspire, educate, and connect you with the global prosthodontic community.

ICP BIENNIAL CONFERENCES

THE ICP

An influential international fellowship comprised of dignitaries from prominent institutions and private practices with educators, practitioners and decision makers capable of providing significant purchasing opportunities! ICP meetings are an ideal venue to display your company's products and services.

ICP HISTORY

Founded to meet the global needs for prosthodontists and their patients, the College is an organ for international information transfer through its biennial meetings, journal, sponsored workshops, and digital and personal communication. The international camaraderie present at College meetings allows the specialist to share products, services, case studies, problems and solutions with colleagues who have similar concerns and goals. We invite you to become a part of this international fellowship as a Global Partner or Industry Sponsor and work with us to elevate our specialty throughout the world.

ICP MISSION & DEMOGRAPHICS

The ICP is a not-for-profit professional association representing prosthodontics in all 7 continents with over 1000 members worldwide, committed to serving the needs of the specialty since 1982. Our membership continues to grow substantially with program directors, educators, department chairs, licensed prosthodontists, dentists interested in our field, and prosthodontic residents who are the future of our specialty. The ICP is dedicated to providing opportunities by providing support through the IJP, grants, and travel awards to members from undeveloped and less privileged countries.

The Mission of the ICP is to internationally promote the specialty and discipline of prosthodontics and provide access to the advancements and exchange of knowledge. Our biennial conferences are systematically hosted in key regions of the world, which creates the opportunity for colleagues to hear renowned international speakers, network with a global delegation and disseminate knowledge, all within their own region.
